SOLIDARITY FUND FOR THE CHURCH IN AFRICA – This weekend there is a special collection for the solidarity fund for the Church in Africa. Migration is one of the most dramatic challenges the Church must address in Africa. As the church in Ethiopia struggles to welcome thousands of refugees from neighboring countries, the pastoral care of this vulnerable population severely tests the meager pastoral resources and ecclesiastical structures. Your support of the **Solidarity Fund for the Church in Africa** helps provide retreats, workshops, Bible studies, and liturgies that give refugees the space and support they need to pray and find their spiritual home. Please be generous. (Please place your gift in a clearly marked pew envelope or memo line on your check. Please place it in the one and only collection this weekend or anytime you are able.)
